The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**RENEWAL OF EXISTING GENERAL SERVICES AGREEMENTS
(ALL DISTRICTS AFFECTED) (3 VOTES)**

SUBJECT

Renewal of General Services Agreements (GSA) with 12 cities and one special district. The GSA authorizes the County of Los Angeles (County) to provide immediate essential services requested by participating cities and public entities. The County is able to facilitate the efficient delivery of services through economies of scale that ensure the public would receive a seamless delivery of municipal services by the combined efforts of cities and the County.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve the renewal of GSAs for a five-year period commencing July 1, 2015, through June 30, 2020, with the Cities of Commerce, Cudahy, Diamond Bar, El Segundo, Hawaiian Gardens, Hermosa Beach, Lomita, Paramount, Rolling Hills, San Dimas, San Fernando, West Covina, and the South Coast Air Quality Management District (collectively entities).
2. Authorize the Mayor to sign the GSA, substantially similar to Attachment I, with the entities upon presentation.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

We are recommending renewal of the GSA with the Cities of Commerce, Cudahy, Diamond Bar, El Segundo, Hawaiian Gardens, Hermosa Beach, Lomita, Paramount, Rolling Hills, San Dimas, San Fernando, West Covina, and the South Coast Air Quality Management District.

The existing GSAs with these entities are scheduled to expire on June 30, 2015, and the recommended period for renewal is for five years commencing July 1, 2015, through June 30, 2020. GSAs for the renewal period have been sent to all entities for their approval and are being returned to this office as their councils take action on them. All agreements will be executed prior to the expiration of current agreements.

General Services Agreements have been executed with most cities and some entities within the County, and authorize the County to provide as needed miscellaneous and sundry services to cities, special districts, and other public entities.

Implementation of Strategic Plan Goals

Renewal of these GSAs will promote the County's Strategic Plan Goal Number 1, Operational Effectiveness/Fiscal Sustainability, by facilitating the public's access to quality County services and contributing to the efficiency and effectiveness of public service delivery systems through economies of scale.

FISCAL IMPACT/FINANCING

The costs for services provided under the GSA are paid by the cities and other entities with no additional cost to the County. The General Services Agreement specifies the method by which these entities request and pay for a service and provide for the annual adjustment of rates by the Auditor-Controller.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The General Services Agreement authorizes the County to provide miscellaneous services requested and paid for by cities and special districts, at no additional County cost, and is authorized by Government Code Sections 51300 and 53060 et seq., and County Charter Section 56 1/2. The services to be provided are requested by these entities and agreed upon by the County department providing the service. The actual services provided under the GSA generally consist of miscellaneous services, which are requested from the County on an as-needed basis. These services may include predatory animal control, prosecution of city ordinances, direct assessment collection, and a variety of public works activities. A listing of potential services provided under the GSA is contained in Attachment II. County departments providing ongoing and specific services of a varied and/or complex nature, such as law enforcement, public health code enforcement, and animal care and control utilize Specific Services Agreements which are handled directly by the individual service departments and contain the scope and details of the services to be provided.

All city service agreements, including the GSA, incorporate by reference, separate joint indemnity agreements which provide for the Contract Cities Trust Fund to cover County liability for performance of these services. Additionally, the GSA includes provisions indicating that the County has the right to terminate the GSA for convenience.

Attachment I contains a copy of the General Services Agreement, which has been approved as to form by County Counsel, and is similar to those currently executed with other cities and public entities.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The Honorable Board of Supervisors

6/2/2015

Page 3

The provision of these services to cities and other entities under the General Services Agreement does not affect the provision of other County services.

Respectfully submitted,

GENERAL SERVICES AGREEMENT

THIS GENERAL SERVICES AGREEMENT ("Agreement"), dated for purposes of reference only, June 1, 2015, is made by and between the County of Los Angeles, hereinafter referred to as the "County", and the City of Commerce, hereinafter referred to as the "City."

RECITALS:

(a) The City is desirous of contracting with the County for the performance by its appropriate officers and employees of City functions.

(b) The County is agreeable to performing such services on the terms and conditions hereinafter set forth.

(c) Such contracts are authorized and provided for by the provisions of Section 56½ of the Charter of the County of Los Angeles and Section 51300, *et seq.*, of the Government Code.

THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. The County agrees, through its officers, agents and employees, to perform those City functions, which are hereinafter provided for.

2. The City shall pay for such services as are provided under this Agreement at rates to be determined by the County Auditor-Controller in accordance with the policies and procedures established by the Board of Supervisors.

These rates shall be readjusted by the County Auditor-Controller annually effective the first day of July of each year to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the Board of Supervisors of County.

3. No County agent, officer or department shall perform for said City any function not coming within the scope of the duties of such officer or department in performing services for the County.

4. No service shall be performed hereunder unless the City shall have available funds previously appropriated to cover the cost thereof.

5. No function or service shall be performed hereunder by any County agent, officer or department unless such function or service shall have been requested in writing by the City on order of the City Council thereof or such officer as it may designate and approved by the Board of Supervisors of the County, or such officer as it may designate, and each such service or function shall be performed at the times and under circumstances which do not interfere with the performance of regular County operations.

6. Whenever the County and City mutually agree as to the necessity for any such County officer or department to maintain administrative headquarters in the City, the City shall furnish at its own cost and expense all necessary office space, furniture, and furnishings, office supplies, janitorial service, telephone, light, water, and other utilities. In all instances where special supplies, stationery, notices, forms and the like must be issued in the name of the City, the same shall be supplied by the City at its expense.

It is expressly understood that in the event a local administrative office is maintained in the City for any such County officer or department, such quarters may be used by the County officer or department in connection with the performance of its duties in territory outside the City and adjacent thereto provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

7. All persons employed in the performance of such services and functions for the City shall be County agent, officer or employee, and no City employee as such shall be taken over by the County, and no person employed hereunder shall have any City pension, civil service, or other status or right.

For the purpose of performing such services and functions, and for the purpose of giving official status to the performance hereof, every County agent, officer and employee engaged in performing any such service or function shall be deemed to be an agent, officer or employee of said City while performing service for the City within the scope of this agreement.

8. The City shall not be called upon to assume any liability for the direct payment of any salary, wages or other compensation to any County personnel performing services hereunder for the City, or any liability other than that provided for in this agreement.

Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee for injury or sickness arising out of his employment.

9. The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977 and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this agreement as set out in full herein. In the event that the Board of Supervisors later approves a revised Joint Indemnity Agreement and the City executes the revised agreement, the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

10. Each County agent, officer or department performing any service for the City provided for herein shall keep reasonably itemized and in detail work or job records covering the cost of all services performed, including salary, wages and other compensation for labor; supervision and planning, plus overhead, the reasonable rental value of all County-owned machinery and equipment, rental paid for all rented machinery or equipment, together with the cost of an operator thereof when furnished with said machinery or equipment, the cost of all machinery and supplies furnished by the County, reasonable handling charges, and all additional items of expense incidental to the performance of such function or service.

11. All work done hereunder is subject to the limitations of the provisions of Section 23008 of the Government Code, and in accordance therewith, before any work is done or services rendered pursuant hereto, an amount equal to the cost or an amount 10% in excess of the estimated cost must be reserved by the City from its funds to insure payment for work, services or materials provided hereunder.

12. The County shall render to the City at the close of each calendar month an itemized invoice which covers all services performed during said month, and the City shall pay County therefore within thirty (30) days after date of said invoice.

If such payment is not delivered to the County office which is described on said invoice within thirty (30) days after the date of the invoice, the County is entitled to recover interest thereon. Said interest shall be at the rate of seven (7) percent per annum or any portion thereof calculated from the last day of the month in which the services were performed.

13. Notwithstanding the provisions of Government Code Section 907, if such payment is not delivered to the County office which is described on said invoice within

thirty (30) days after the date of the invoice, the County may satisfy such indebtedness, including interest thereon, from any funds of any such City on deposit with the County without giving further notice to said City of County's intention to do so.

14. This Agreement shall become effective on the date herein-above first mentioned and shall run for a period ending June 30, 2020, and at the option of the City Council of the City, with the consent of the Board of Supervisors of County, shall be renewable thereafter for an additional period of not to exceed five (5) years.

15. In the event the City desires to renew this Agreement for said five-year period, the City Council shall not later than the last day of May 2020, notify the Board of Supervisors of County that it wishes to renew the same, whereupon the Board of Supervisors, not later than the last day of June 2020, shall notify the City Council in writing of its willingness to accept such renewal. Otherwise such Agreement shall finally terminate at the end of the aforescribed period.

Notwithstanding the provisions of this paragraph herein-above set forth, the County may terminate this Agreement at any time by giving thirty (30) days' prior written notice to the City. The City may terminate this Agreement as of the first day of July of any year upon thirty (30) days' prior written notice to the County.

16. This Agreement is designed to cover miscellaneous and sundry services which may be supplied by the County of Los Angeles and the various departments thereof. In the event there now exists or there is hereafter adopted a specific contract between the City and the County with respect to specific services, such contract with respect to specific services shall be controlling as to the duties and obligations of the parties anything herein to the contrary notwithstanding, unless such special contract adopts the provisions hereof by reference.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized officers.

Whenever the County and City mutually agree as to the necessity for any such County officer or department to maintain administrative headquarters in the City, the City shall furnish at its own cost and expense all necessary office space, furniture, and furnishings, office supplies, janitorial service, telephone, light, water, and other utilities. In all instances where special supplies, stationery, notices, forms and the like must be issued in the name of the City, the same shall be supplied by the City at its expense.

It is expressly understood that in the event a local administrative office is maintained in the City for any such County officer or department, such quarters may be used by the County officer or department in connection with the performance of its duties in territory outside the City and adjacent thereto provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

7. All persons employed in the performance of such services and functions for the City shall be County agent, officer or employee, and no City employee as such shall be taken over by the County, and no person employed hereunder shall have any City pension, civil service, or other status or right.

For the purpose of performing such services and functions, and for the purpose of giving official status to the performance hereof, every County agent, officer and employee engaged in performing any such service or function shall be deemed to be an agent, officer or employee of said City while performing service for the City within the scope of this agreement.

8. The City shall not be called upon to assume any liability for the direct payment of any salary, wages or other compensation to any County personnel performing services hereunder for the City, or any liability other than that provided for in this agreement.

Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee for injury or sickness arising out of his employment.

9. The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977 and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this agreement as set out in full herein. In the event that the Board of Supervisors later approves a revised Joint Indemnity Agreement and the City executes the revised agreement, the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

10. Each County agent, officer or department performing any service for the City provided for herein shall keep reasonably itemized and in detail work or job records covering the cost of all services performed, including salary, wages and other compensation for labor; supervision and planning, plus overhead, the reasonable rental value of all County-owned machinery and equipment, rental paid for all rented machinery or equipment, together with the cost of an operator thereof when furnished with said machinery or equipment, the cost of all machinery and supplies furnished by the County, reasonable handling charges, and all additional items of expense incidental to the performance of such function or service.

11. All work done hereunder is subject to the limitations of the provisions of Section 23008 of the Government Code, and in accordance therewith, before any work is done or services rendered pursuant hereto, an amount equal to the cost or an amount 10% in excess of the estimated cost must be reserved by the City from its funds to insure payment for work, services or materials provided hereunder.

12. The County shall render to the City at the close of each calendar month an itemized invoice which covers all services performed during said month, and the City shall pay County therefore within thirty (30) days after date of said invoice.

If such payment is not delivered to the County office which is described on said invoice within thirty (30) days after the date of the invoice, the County is entitled to recover interest thereon. Said interest shall be at the rate of seven (7) percent per annum or any portion thereof calculated from the last day of the month in which the services were performed.

13. Notwithstanding the provisions of Government Code Section 907, if such payment is not delivered to the County office which is described on said invoice within

thirty (30) days after the date of the invoice, the County may satisfy such indebtedness, including interest thereon, from any funds of any such City on deposit with the County without giving further notice to said City of County's intention to do so.

14. This Agreement shall become effective on the date herein-above first mentioned and shall run for a period ending June 30, 2020, and at the option of the City Council of the City, with the consent of the Board of Supervisors of County, shall be renewable thereafter for an additional period of not to exceed five (5) years.

15. In the event the City desires to renew this Agreement for said five-year period, the City Council shall not later than the last day of May 2020, notify the Board of Supervisors of County that it wishes to renew the same, whereupon the Board of Supervisors, not later than the last day of June 2020, shall notify the City Council in writing of its willingness to accept such renewal. Otherwise such Agreement shall finally terminate at the end of the aforescribed period.

Notwithstanding the provisions of this paragraph herein-above set forth, the County may terminate this Agreement at any time by giving thirty (30) days' prior written notice to the City. The City may terminate this Agreement as of the first day of July of any year upon thirty (30) days' prior written notice to the County.

16. This Agreement is designed to cover miscellaneous and sundry services which may be supplied by the County of Los Angeles and the various departments thereof. In the event there now exists or there is hereafter adopted a specific contract between the City and the County with respect to specific services, such contract with respect to specific services shall be controlling as to the duties and obligations of the parties anything herein to the contrary notwithstanding, unless such special contract adopts the provisions hereof by reference.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized officers.

3. No County agent, officer or department shall perform for said City any function not coming within the scope of the duties of such officer or department in performing services for the County.

4. No service shall be performed hereunder unless the City shall have available funds previously appropriated to cover the cost thereof.

5. No function or service shall be performed hereunder by any County agent, officer or department unless such function or service shall have been requested in writing by the City on order of the City Council thereof or such officer as it may designate and approved by the Board of Supervisors of the County, or such officer as it may designate, and each such service or function shall be performed at the times and under circumstances which do not interfere with the performance of regular County operations.

In all instances where special supplies, stationery, notices, forms and the like must be issued in the name of the City, the same shall be supplied by the City at its expense.

It is expressly understood that in the event a local administrative office is maintained in the City for any such County officer or department, such quarters may be used by the County officer or department in connection with the performance of its duties in territory outside the City and adjacent thereto provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this agreement as set out in full herein. In the event that the Board of Supervisors later approves a revised Joint Indemnity Agreement and the City executes the revised agreement, the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

10. Each County agent, officer or department performing any service for the City provided for herein shall keep reasonably itemized and in detail work or job records covering the cost of all services performed, including salary, wages and other compensation for labor; supervision and planning, plus overhead, the reasonable rental value of all County-owned machinery and equipment, rental paid for all rented machinery or equipment, together with the cost of an operator thereof when furnished with said machinery or equipment, the cost of all machinery and supplies furnished by the County, reasonable handling charges, and all additional items of expense incidental to the performance of such function or service.

12. The County shall render to the City at the close of each calendar month an itemized invoice which covers all services performed during said month, and the City shall pay County therefore within thirty (30) days after date of said invoice.

If such payment is not delivered to the County office which is described on said invoice within thirty (30) days after the date of the invoice, the County is entitled to recover interest thereon. Said interest shall be at the rate of seven (7) percent per annum or any portion thereof calculated from the last day of the month in which the services were performed.

13. Notwithstanding the provisions of Government Code Section 907, if such payment is not delivered to the County office which is described on said invoice within

thirty (30) days after the date of the invoice, the County may satisfy such indebtedness, including interest thereon, from any funds of any such City on deposit with the County without giving further notice to said City of County's intention to do so.

14. This Agreement shall become effective on the date herein-above first mentioned and shall run for a period ending June 30, 2020, and at the option of the City Council of the City, with the consent of the Board of Supervisors of County, shall be renewable thereafter for an additional period of not to exceed five (5) years.

15. In the event the City desires to renew this Agreement for said five-year period, the City Council shall not later than the last day of May 2020, notify the Board of Supervisors of County that it wishes to renew the same, whereupon the Board of Supervisors, not later than the last day of June 2020, shall notify the City Council in writing of its willingness to accept such renewal. Otherwise such Agreement shall finally terminate at the end of the aforescribed period.

Notwithstanding the provisions of this paragraph herein-above set forth, the County may terminate this Agreement at any time by giving thirty (30) days' prior written notice to the City. The City may terminate this Agreement as of the first day of July of any year upon thirty (30) days' prior written notice to the County.

16. This Agreement is designed to cover miscellaneous and sundry services which may be supplied by the County of Los Angeles and the various departments thereof. In the event there now exists or there is hereafter adopted a specific contract between the City and the County with respect to specific services, such contract with respect to specific services shall be controlling as to the duties and obligations of the parties anything herein to the contrary notwithstanding, unless such special contract adopts the provisions hereof by reference.

GENERAL SERVICES AGREEMENT

THIS GENERAL SERVICES AGREEMENT ("Agreement"), dated for purposes of reference only, June 1, 2015, is made by and between the County of Los Angeles, hereinafter referred to as the "County", and the City of West Covina, hereinafter referred to as the "City."

RECITALS:

(a) The City is desirous of contracting with the County for the performance by its appropriate officers and employees of City functions.

(b) The County is agreeable to performing such services on the terms and conditions hereinafter set forth.

(c) Such contracts are authorized and provided for by the provisions of Section 56½ of the Charter of the County of Los Angeles and Section 51300, *et seq.*, of the Government Code.

THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

1. The County agrees, through its officers, agents and employees, to perform those City functions, which are hereinafter provided for.

2. The City shall pay for such services as are provided under this Agreement at rates to be determined by the County Auditor-Controller in accordance with the policies and procedures established by the Board of Supervisors.

These rates shall be readjusted by the County Auditor-Controller annually effective the first day of July of each year to reflect the cost of such service in accordance with the policies and procedures for the determination of such rates as adopted by the Board of Supervisors of County.

3. No County agent, officer or department shall perform for said City any function not coming within the scope of the duties of such officer or department in performing services for the County.

4. No service shall be performed hereunder unless the City shall have available funds previously appropriated to cover the cost thereof.

5. No function or service shall be performed hereunder by any County agent, officer or department unless such function or service shall have been requested in writing by the City on order of the City Council thereof or such officer as it may designate and approved by the Board of Supervisors of the County, or such officer as it may designate, and each such service or function shall be performed at the times and under circumstances which do not interfere with the performance of regular County operations.

6. Whenever the County and City mutually agree as to the necessity for any such County officer or department to maintain administrative headquarters in the City, the City shall furnish at its own cost and expense all necessary office space, furniture, and furnishings, office supplies, janitorial service, telephone, light, water, and other utilities. In all instances where special supplies, stationery, notices, forms and the like must be issued in the name of the City, the same shall be supplied by the City at its expense.

It is expressly understood that in the event a local administrative office is maintained in the City for any such County officer or department, such quarters may be used by the County officer or department in connection with the performance of its duties in territory outside the City and adjacent thereto provided, however, that the performance of such outside duties shall not be at any additional cost to the City.

7. All persons employed in the performance of such services and functions for the City shall be County agent, officer or employee, and no City employee as such shall be taken over by the County, and no person employed hereunder shall have any City pension, civil service, or other status or right.

For the purpose of performing such services and functions, and for the purpose of giving official status to the performance hereof, every County agent, officer and employee engaged in performing any such service or function shall be deemed to be an agent, officer or employee of said City while performing service for the City within the scope of this agreement.

8. The City shall not be called upon to assume any liability for the direct payment of any salary, wages or other compensation to any County personnel performing services hereunder for the City, or any liability other than that provided for in this agreement.

Except as herein otherwise specified, the City shall not be liable for compensation or indemnity to any County employee for injury or sickness arising out of his employment.

9. The parties hereto have executed an Assumption of Liability Agreement approved by the Board of Supervisors on December 27, 1977 and/or a Joint Indemnity Agreement approved by the Board of Supervisors on October 8, 1991. Whichever of these documents the City has signed later in time is currently in effect and hereby made a part of and incorporated into this agreement as set out in full herein. In the event that the Board of Supervisors later approves a revised Joint Indemnity Agreement and the City executes the revised agreement, the subsequent agreement as of its effective date shall supersede the agreement previously in effect between the parties hereto.

10. Each County agent, officer or department performing any service for the City provided for herein shall keep reasonably itemized and in detail work or job records covering the cost of all services performed, including salary, wages and other compensation for labor; supervision and planning, plus overhead, the reasonable rental value of all County-owned machinery and equipment, rental paid for all rented machinery or equipment, together with the cost of an operator thereof when furnished with said machinery or equipment, the cost of all machinery and supplies furnished by the County, reasonable handling charges, and all additional items of expense incidental to the performance of such function or service.

11. All work done hereunder is subject to the limitations of the provisions of Section 23008 of the Government Code, and in accordance therewith, before any work is done or services rendered pursuant hereto, an amount equal to the cost or an amount 10% in excess of the estimated cost must be reserved by the City from its funds to insure payment for work, services or materials provided hereunder.

12. The County shall render to the City at the close of each calendar month an itemized invoice which covers all services performed during said month, and the City shall pay County therefore within thirty (30) days after date of said invoice.

If such payment is not delivered to the County office which is described on said invoice within thirty (30) days after the date of the invoice, the County is entitled to recover interest thereon. Said interest shall be at the rate of seven (7) percent per annum or any portion thereof calculated from the last day of the month in which the services were performed.

13. Notwithstanding the provisions of Government Code Section 907, if such payment is not delivered to the County office which is described on said invoice within

thirty (30) days after the date of the invoice, the County may satisfy such indebtedness, including interest thereon, from any funds of any such City on deposit with the County without giving further notice to said City of County's intention to do so.

14. This Agreement shall become effective on the date herein-above first mentioned and shall run for a period ending June 30, 2020, and at the option of the City Council of the City, with the consent of the Board of Supervisors of County, shall be renewable thereafter for an additional period of not to exceed five (5) years.

15. In the event the City desires to renew this Agreement for said five-year period, the City Council shall not later than the last day of May 2020, notify the Board of Supervisors of County that it wishes to renew the same, whereupon the Board of Supervisors, not later than the last day of June 2020, shall notify the City Council in writing of its willingness to accept such renewal. Otherwise such Agreement shall finally terminate at the end of the aforescribed period.

Notwithstanding the provisions of this paragraph herein-above set forth, the County may terminate this Agreement at any time by giving thirty (30) days' prior written notice to the City. The City may terminate this Agreement as of the first day of July of any year upon thirty (30) days' prior written notice to the County.

16. This Agreement is designed to cover miscellaneous and sundry services which may be supplied by the County of Los Angeles and the various departments thereof. In the event there now exists or there is hereafter adopted a specific contract between the City and the County with respect to specific services, such contract with respect to specific services shall be controlling as to the duties and obligations of the parties anything herein to the contrary notwithstanding, unless such special contract adopts the provisions hereof by reference.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized officers.
